**Women's SonRise 66**

**March 5 – March 8**

**Ultreya (reunion) March 22**

**3:00 – 6:00 pm**

## From the Rector and Rectora

DeColores!!

It's hard to believe that the spring week-ends at Zion Lutheran Church in Oshkosh are almost upon us. It seems like something that was so far away is suddenly here. Where does the time go? We will be at this location for the first time. The sanctuary is in the center of the building and there are lots of spacious rooms around the sanctuary, all on one floor. We always have to be creative at a new place so this might present a bit of a challenge but we trust on ONE who is in charge to make this yet another spirit filled weekend. GOD is good all the time.

We are joyfully looking forward to meeting with the team – some we don't know yet and renewing old acquaintances. We're thankful and blessed by everyone who accepted God's call and to those who said they can't serve this weekend but would do 4<sup>th</sup> day and would certainly keep SonRise 65 and 66 in their prayers. All the time, God is Good.

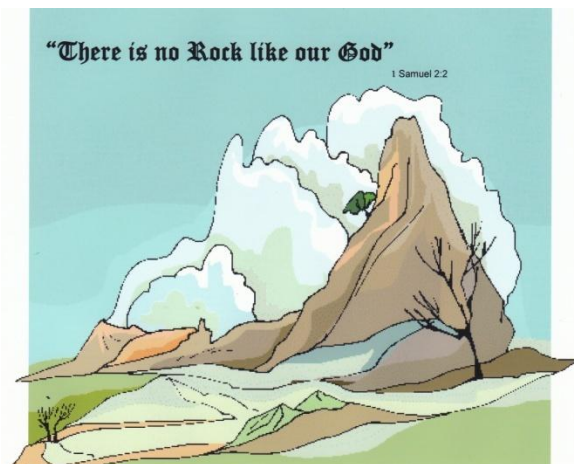

As usual there will be many 4<sup>th</sup> day opportunities available:

Setting up for sleeping and Rollo Room on Thurs afternoon (noon till six).

People for Stations of the Cross Friday Evening (7:30 Stations 4<sup>th</sup> day arrival)

Setting up for Agape on Saturday Morning (9:00 set up)

Community for Candlelight on Saturday evening (Ultreya 8:00 – Candlelight 9:15)

Clausura 3:15 gathering – Service 3:20)

Extra hands (especially those folded in prayer) to help where needed (anytime during the weekend)

There will be sing up sheets for prayer vigil and food Palanca. (can be signed up on the web site) [www.wivdc.org](http://www.wivdc.org)

We remember back to our weekends and how lovingly and graciously we were treated and what joyful spirits everyone had. Was that a little taste of heaven?? With God's help let us serve the Lord. The new pilgrims deserve our best and God is counting on us.

With grateful and humble hearts,

Woody Barthel (Rector SR 65)  
Ruth Barthel (Rectora SR 66)

## SonRise 65 Pilgrims:

Jon Behrens	Terry Larson	Mick Dietrich
Rick Bowden	Dan Markart	Tom Prijic

# Thank You Parish Representatives

We would like to thank all of our Parish Representatives for helping spread our SonRise news, weekend information and prayer requests to our 4<sup>th</sup> Day Community. We couldn't do it without you!

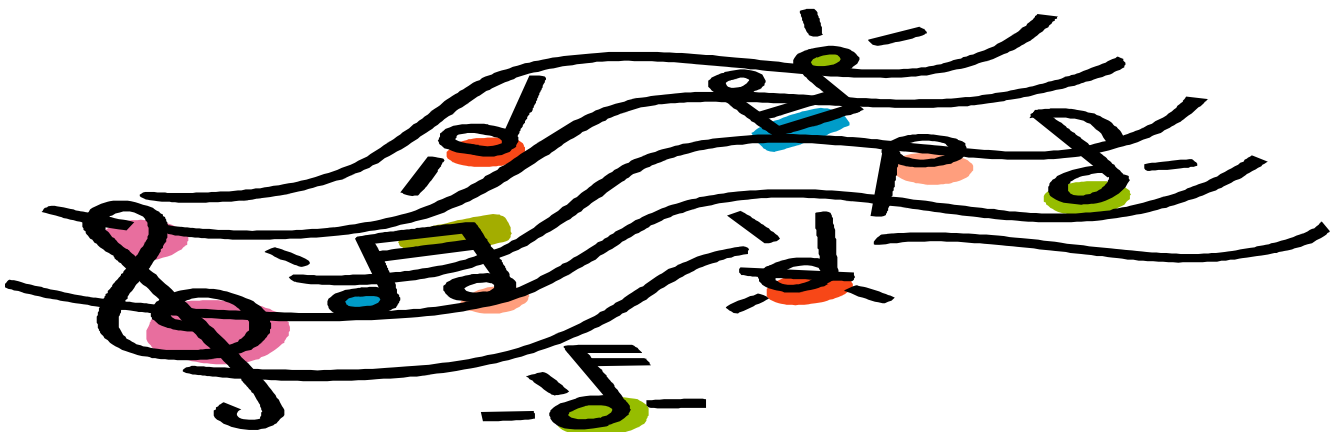

If your church doesn't have a Parish Rep, please consider filling that need. We communicate by e-mail and provide you with the news, updates and monthly prayer request from around the world. You would be the contact person for your 4<sup>th</sup> Day Community and a resource for prospective weekenders. Please prayerfully consider this call.

If you are interested in being the Representative for your congregation, please contact us at [kayden1@centurytel.net](mailto:kayden1@centurytel.net)

Thank You,

Dennis and Kay Fuerst

Liaison to the Parish Representatives

## Calling SonRise Musicians

We are always in need of musicians for the weekends. If you are blessed with this talent, please consider working in some capacity on an upcoming weekend. If you are only able to assist for a day, we appreciate and accept that. If you can commit to several days or the entire weekend, that is even better. We are willing to work with your schedule. Music is such an important part of the weekend experience it is helpful to have talent available to support the need. If your voice is your instrument, we can always use help with the "Heavenly Choir" during the Agape meal, come and help us 'make a joyful noise unto the Lord'.

# Trailer News

The much-talked-about, highly-anticipated, and greatly-needed VdC trailer is now a reality! The new trailer is 26' in length, 8'-6" in width, 7'-3" in height and will allow for future growth of our movement. Items will be transferred to the new trailer and temporarily secured so that it can service the SonRise 65 and 66 weekends in Oshkosh. Time will be scheduled in late spring to design and install permanent shelving.

We are now asking the 4<sup>th</sup> Day Community for donations toward: materials to build shelving, new clear plastic storage bins, and a solar battery charger for the interior lighting and electrical equipment. We will also need a logo and graphics applied to the trailer sides. (If you are interested in designing the logo, please send a draft of your idea to Greg Pigarelli at [gpdesigns@charter.net](mailto:gpdesigns@charter.net).)

If you are able to contribute to this appeal for shelving material/storage bins/solar battery charger/graphics design, please send your check earmarked "Trailer Fund" to:

Woody Barthel –Treasurer  
WI SonRise Via de Cristo  
3790 N. Wayside Lane  
Appleton, WI 54913

A big thank you to all who have made this possible with your generous monetary donations to the Trailer Fund Appeal.

Greg Pigarelli  
Property Chairperson
